

Maxim Events

Planning made Easy

1. Sign your contract to secure your date and pay your deposit.
2. Select your package based on your budget
3. Set up your tasting—it's free for up to 6 guests—
together we will do 90% of the planning at the
tasting with both of your parents. You can select up
to 3 entrees to sample (we don't sample sides). We
can also set up a cake tasting with our preferred
vendor at this time. You are welcome to use your
own cake baker.
4. Select your Bar and Dinner options.
5. Select your linen colors and room arrangement.
6. The day of your event we will meet your DJ and cake
person.
7. If Maxim is available the day before your event you
can come in and decorate free of charge. If Maxim is
being used you can still drop off anything needed,
show us how you want the tables decorated and we'll
do it for you. If you are using chair covers you will
need to arrange for them to be put on regardless
of when they are put on. You can have chair
covers shipped directly to us.
8. Watch your Dates to remember page.
