## GENERAL INFORMATION

If you're looking for the perfect spot to host both your wedding and reception in one venue, Maxim may be the perfect spot. Maxim can comfortably seat up to 150 wedding guests in a traditional wedding setting. Your reception will immediately follow with only a short time period for reset. Your guests will immediately be offered refreshments following the wedding. A changing area is available for the bridal party.

- Traditional Wedding Set Up \$500.00
- Reception Seating Wedding \$300.00
- (wedding guests are seated at the already set reception tables)

Maxim offers several set up options for your wedding. Hosting your wedding and reception in one venue offers convenience for your guests and less planning for you. Many times the same flowers and decorations can be used for both the reception and the wedding and that can save you time and money.

### **Building Charges:**

There is a flat \$2.00 per person charge for the building. The charge is based on your final count and there is no charge for children. The \$2.00 per person fee will be waived for events over 225 guests at final count when using bar service.

### **Time Allowed:**

It is based on 6 hours from the arrival of guests. We don't make an issue over an extra half hour. If it becomes more than the time allowed, we charge \$50.00 an hour for over time.
